SOLUTIONS AND SERVICES

Irdeto secures and enables growth across three industries.

Video Entertainment

Irdeto leads video entertainment with secure streaming, anti-piracy, and monetization solutions, enabling scalable, high-quality experiences across broadcast and OTT platforms.

Video Games

Irdeto secures video games with Denuvo by Irdeto, preventing leaks, piracy and cheating while protecting revenue and delivering fair, high-performance player experiences.

Smart Mobility

Irdeto powers smart mobility with Keystone by Irdeto, enabling safer and more efficient access across fleets and automotive OEMs.

Video Games
