in security and business enablement

SOLUTIONS AND SERVICES

Irdeto secures and enables growth across three industries.

Video Entertainment

Irdeto leads video entertainment with secure streaming, anti-piracy, and monetization solutions, enabling scalable, high-quality experiences across broadcast and OTT platforms.

Video Games

Irdeto secures video games with Denuvo by Irdeto, preventing leaks, piracy and cheating while protecting revenue and delivering fair, high-performance player experiences.

Smart Mobility

Irdeto powers smart mobility with Keystone by Irdeto and Irdeto CrossCharge, enabling secure digital access, interoperable EV charging, and scalable, efficient mobility ecosystems.

Video Games	Video Entertainment	Smart Mobility
Denuvo Anti-Leak <i>Pre-release game protection</i>	Irdeto Experience <i>Video streaming aggregation platform</i>	Keystone by Irdeto <i>Digital keys for fleets</i>
